Terms & Conditions ...

Terms of Sale ... terms of sale are cash, good check, or Mastercard or Visa payment made payable immediately after the sale and before cattle will be loaded out. All Visa or Mastercard payments will be made with a 3% finance charge.

Liability ... All animals and merchandise will be at the buyer's risk as soon as sale is complete. Neither the owners, auctioneers, sale manager, or any other personnel will be responsible for an injuries or loss that may occur during the sale.

Absentee Bidding ... If you would like to bid over the phone please contact the sale management anytime after 1/10 to receive a bidder number. You may also bid through one of our sale consultants or online at www.liveauctions.tv

Conditions ... All announcements made from the sale block as well as information included in the supplement sheet will take precedence over information printed in this catalog.

Health ... All animals sold in this sale will be sold with health papers for interstate travel. All of the bred females will be pregnancy checked prior to the sale. Buyers have up to 21 days following the sale to re-pregnancy check their cattle for an adjustment to be made on loss of pregnancy.

Registrations ... All cattle sold as registered will be sold with their registration paper as long as said animal brings over \$2500. All cattle purchased under \$2500 will be the responsibility of the buyer to pay the cost to paper their own purchases.

Trucking ... If you require assistance in transporting your purchases please let the sale management or clerks know if your need at the completion of the sale. Every effort will be made to assist you in your trucking needs.

SAV 004 TRAVELER 4836

COUNTRY DREAM R50

SAV TRAVELER 004
CHAMPION HILL LADY 2245
SAC MR MT 73G
COUNTRY SHADOW N09

AI'd 04.16.12 to GCC Whizard.

You could write quite the story about this impressive donor female, but we will let her legacy and production record do the talking. Since purchasing Country Gator we have flushed her 5 times for an average of 35 frozen embryos with no busts in that time period. What is even more impressive is her consistently stamped progeny. T9's progeny all come stamped with her tremendous center body, huge foot, and structural integrity. We flushed T9 last spring so she got backed up on her calving date, but to make it a little easier to turn a profit for her new owner we are offering with the purchase price of this female 6 frozen embryos by Believe In Me to the winning bidder. Pregnancy checked due to calve 4/14/14

Lot 1 taken two years ago.

AKERS MISS LUCY P082	MEYER RANCH 734
	THOMAS MISS LUCY 3107

AI'd 05.21.13 to Built Right.

Here is a female with a strong past and a bright future. This Imprint daughter is a direct daughter of one of the best Meyer 734 daughters to ever walk Akers Farms, and has already created quite a stir at The Chosen Few sales. In 2010 her first calf by Star Power was purchased by Jirl Buck of Oklahoma for \$6,000, he took that female home, bred her, and brought her back to this sale in 2011. In 2011 the Siegrist family of Ohio purchased that same female for \$13,500, and then put her straight to work in the donor pen. While at the Siegrist donor pen her daughter produced one Monopoly daughters who is featured in this sale as Lot 102. If you are in the market for a can't miss donor, who has the looks to back up all of her achievements here she is.

 JBH SHEZA DANDY

P.E. to STF Royal Affair from 5.01 to 8.31.13.

This Cherry Red bombshell of a Purebred Simmental is being offered in the prime of her life. Kashmere displays an extended front one-third, stands on a huge foot, and has that maternal look that is displayed at it's finest in her picture perfect udder design. This female is the result of the combination of two great cow families in the Simmental breed, Ebony Antoinette and Sheza Dream, which adds to her consistency. She is selling safe in calf to STF Royal Affair, who will add the infamous STF Onyx cow family to this one's cow power backed cow family. Vet called due 3/1/14.

FRICION FULL FLUSH
 DEBULL/MEYER 734
MIMMS 23 DONOR CHAROLAIS
 PAYBACK/WITCH DOCTOR

What could be better than a Blaze faced Black Baldy? How about a powered up White Baldy! If you have been in the market for a legit color donor female capable of producing those top end steers here she is. Tulip has a pedigree that reads like a dream, with the likes of the infamous Mimms 23 donor on the bottom side, and the infamous club-calf momma maker Friction on the top side you can rest assured that consistency is bred deep with this one. Along with her pedigree and good looks, Tulip has already produced a Northern Improvement heifer who is working in the pastures at Sinclair Cattle, another daughter by I-80 is currently in our replacement bred heifer pen, and this year her Cherry Red Hollywood steer calf will be in our showstring. Tulip is TH Free & a PHA Carrier and is selling safe in calf to MAB with no clean-up, that mating ought to get your program on the map!

MISS PURSUIT DETT 95F

MIMMS 23 DONOR

CHAROLAIS
PAYBACK/WITCH DOCTOR

AI'd 06.14.13 to Two Tone.

If color is what you are after, color you shall receive. Luna is one of the most versatile Charolais/Maine females we have ever owned. This female has the style, hair, and eye-appeal of a Maine, with the power and skeletal design of a Charolais which adds to her mating potential. We sold her I-80 calf last summer to Brent Tolle, who then bred her up and is offering her as Lot 83 in the 2013 Holliday Classic this winter. This year Luna produced an Unstoppable heifer that we are keeping in our replacement pen. After mating her maternal for her first couple of calves we decided to unleash the Club Calf side of her pedigree and mated her up to Two-Tone, which should make for one cool colored up calf.

You could write a book on the mother of Absolut. The now deceased Lucy donor cow owned by Josh Blackford has generated well over \$300,000 in progeny sales with a variety of bulls. None more impressive than her mating to the immortal Irish Whiskey. I thought I hit the jackpot when Josh let me buy some of these embryos, and prospects like this are what I had in mind. From producing donors, to show heifers, to promotional bulls, the Lucy x Irish Whiskey combination has been nothing short of amazing. Bulls that look like this, with this kind of a proven pedigree don't come along very often. This will be one of, if not THE last times a product of this mating will ever be offered. Absolut has incredible bone, is soft in his joints, with all the look and power you could ever ask for. A one of a kind bull, backed by a pedigree that will never go out of style. Buy with confidence.

LUCKY BREAK

339U

A smokey half-blood Simmental heifer with style to burn! This Smokin' Beauty is loaded with bone, hair, and belly all in a maternal package. This one will compete in the show ring, but better yet generate some high returns. Buyers Bonus: This one is double clean which will add to the mating potential that she provides. Mate her to Heat Wave or one of his sons to make those high selling club calves, or stick maternal and create highly sought after donor level females. If your looking for a wise New Year's investment for your program dig into this Smoke!

This A Step Up daughter is one we will hang our hat on. Coming from the Weigel operation in Wisconsin where they are no dummies in raising good cattle to top the Chosen Few sale in the past and they might give it a run this year. This half blood simmy female is as sound, big boned and footed, and puts it in a package with all the look they look for in the showing of today and then some.

SILVEIRAS ELBA 2520
WLE QUOTE U547
JMCB IN VOGUE

If you are looking for a half-blood Simmental show heifer with that added "IT" factor, here she is. 322A has a long skinny neck, powerful structural make-up, and all the center body dimension you could ever wish for. This female is simply the type of heifer that is hard to pass up. 322A is also backed by some tremendous cow/sire families including Silveiras Style, Gambles Hot Rod, as well as In Vogue who was one of the top donor females in the Beckett Cattle herd. This female also boasts an API of 130 which will leave you in the drivers seat at Junior Nationals.

KNC CABIN CREEK SANDY 503

This half-blood Simmental beauty comes at you with a massive mid-section, tremendous amount of bone, and a ton of hair. Her dam goes back to the "Sandy" cow family who has been producing some of our top selling Reg. Angus females year in and year out. Her sire is out of the great Silver Town Fixation bull who has produced numerous top selling females and bulls in there program and who's progeny have been accepted both in the showing as well as in production. This particular female has the style to produce high percentage Simmentals, as well as the power and size need to make those top end club calves. She also boasts an API of 108.
